

NIGHT VISION BINOCULARS

NIGHT SCOUT

Fuse true depth perception, multi-coated glass and exclusive cybernetic innovation – the results will outcome in the best Night Vision Binocular in the world – the ATN Night Scout.

If you want the best technologically advanced pair of Night Vision Binoculars available, look no further. We present you the ATN Night Scout binocular . This Binocular comes with a high-resolution 1st Gen. Intensifier Tube. The heavy-coated 90 mm glass lenses allow for optimum clarity and distance. The best part is that if there is no light to amplify, with the help of the Infrared Illuminator, you can cut through the darkness. So if not being able to see at night made your life dark, let the ATN Night Scout bring some light into your life.

- **Powerful 5x magnification**
